

Freedom of Information request disclosure log sheet

Case No: 23								
Date Received: 04/01/2018								
Topic: Klbirnie Loch- Copy of Agreement for Fishing Rights								
Request								
A current copy of the fishing lease for Kilbirnie Loch in North Ayrshire. Or could you advise how I could obtain a copy.								
Response								
<p>Attached is a copy of the fishing lease for Kilbirnie Loch in North Ayrshire. The lease contains personal data, therefore was redacted (in red) applying exception 11(2) of EIRs. Releasing personal data would contravene the first principle (shall be processed fairly and lawfully) of the Data Protection Act (1998). The blue redactions within the lease are due to commercially confidential information, applying exemption 10(5)(e) of EIRs. It is in the public interest that Crown Estate Scotland (Interim Management) remains commercially competitive and commercially robust as our revenue profit is returned to the Scottish Consolidated Fund. All rents for angling rights are specifically negotiated for each stretch of fishings; releasing the information would prejudice future negotiations that are similar in nature because a potential tenant would be aware of the rent we would be willing to accept.</p> <table border="1"> <thead> <tr> <th>Document Reference</th> <th>Document Title</th> <th>Document Type</th> <th>Exceptions applied</th> </tr> </thead> <tbody> <tr> <td>002103544</td> <td>20160101-River Clyde-Maich Water Kilbirnie and Barr Loch-Salmon Fishings Lease_Redacted</td> <td>.pdf</td> <td>39(2) – Environmental Information 11(2) – Personal Data</td> </tr> </tbody> </table>	Document Reference	Document Title	Document Type	Exceptions applied	002103544	20160101-River Clyde-Maich Water Kilbirnie and Barr Loch-Salmon Fishings Lease_Redacted	.pdf	39(2) – Environmental Information 11(2) – Personal Data
