

Crown Estate Scotland (Interim Management)

Privacy Notice for Consultations hosted on Scottish Government's Consultation Hub (Citizen Space)

This privacy notice applies to responses to consultations which are hosted for Crown Estate Scotland (Interim Management) on the Scottish Government's Consultation Hub (www.consult.gov.scot).

Crown Estate Scotland's Data Protection Policy can be read here: [Data Protection Policy](#)

Crown Estate Scotland use the Consultation Hub to host consultations on our strategy documents and corporate plans and to collect feedback on these. Scottish Government's privacy policy for the Citizen Space service can be read here: [SG Privacy Policy](#)

Purpose for processing

To collect feedback on consultations.

Personal Information collected and lawful basis

We do not collect your personal information from Citizen Space.

Sharing your information

We may instruct independent consultants to analysis responses to a consultation and to prepare an analysis report which we may then publish. The consultants are given access to Citizen Space by the Scottish Government.

Information you provide in response to our consultations may require to be disclosed by us in accordance with the Freedom of Information (Scotland) Act 2002 and the Environmental Information (Scotland) Regulations 2004.

How long we will hold your information

We do not hold any personal information submitted in response to our consultations hosted on Citizen Space.

Your information rights

To exercise your information rights please contact our Data Protection Officer by email : dataprotection@crownestatescotland.com
