

## **Local Notice to Mariners**

### **Mooring Operations – Kishorn Port**

For a period of approx. 30 Days from 21/08/20 onwards:

Kishorn Port Ltd issue information regarding mooring laying operations involving an area extending 350m in all directions from the following central position.

**57° 23.200' North; 005° 38.600' West**

Mooring operations will be undertaken initially by one AHTS. Continuing vessel mooring operations will involve a second AHTS, supported by Harbour Tugs, line handling and FRCs.

During the operations all vessels are requested to keep clear of the mooring operations area.

All vessels involved will display lights and signal as per COLREGS and will be monitoring channels 16 and 14

During the operations all vessels arriving & departing Kishorn Port are requested to call Kishorn Port Radio on VHF ch 16 or 14
