

## **Trade Union Disclosure**

The Trade Union (Facility Time Publication Requirements) Regulations 2017 came into force on 1 April 2017. The regulations place a legislative requirement on relevant public sector employers to collate and publish, on an annual basis, data on the amount and cost of facility time within their organisation. This data is published here on our website.

In summary, the total number of employees who were relevant union officials in the period to 30 March 2021 was one. The employee spent 1-50% of their working hours on facility time, which equated to a cost of £1,149.26 or 0.03% of the total wage bill of £3.9m. 100% of the time spent on trade union activities was paid time.
