- A copy of the business/production plan for the site in question to indicate:
 - Provision of financial resources for the installation and operation of the site (bank references may be requested)
 - Business/Production strategy plan (that submitted for planning consent will be acceptable)
 - Decommissioning measures in the event of renunciation/termination of the lease

Terms & Conditions

1. Whilst financial information submitted with this application is intended to be confidential, Crown Estate Scotland is subject to The Freedom of Information (Scotland) Act 2002 and the Environmental Information (Scotland) Regulation 2004. In the event that request for information pursuant to such Act is received Crown Estate Scotland will act in accordance with its statutory duties and will determine what information requested should be disclosed subject to any order for disclosure that may bind Crown Estate Scotland.
2. In granting any option consequent on this application Crown Estate Scotland expresses no view on whether or not any planning permission will be received to permit a marine farm operation to be carried on in the area or whether the seabed in the area to which the application relates is suitable for marine farming purposes.
3. This application has not been made relying on any statement or information made by or on behalf of Crown Estate Scotland or any of its appointed agents or consultants.
4. Any Stamp Duty Land Tax or any tax of any description that may be generated by or payable consequent upon the application for the grant of Planning Permission and/or the Option and/or the Lease will be my/our responsibility.
5. Crown Estate Scotland reserves the right to seek further information on how the commencement and continued operation of the marine farm is to be financed, and in relation to this, bank references may be required

Declaration

I confirm I have read the Guidance Notes for Applicants for Aquaculture Lease Options in Scotland (if you require any further information on the terms of a marine farm, please see the relevant Terms and Conditions on our website).

I confirm the information given in this Application is true and correct.

I understand and accept that this application is made subject to the terms and conditions indicated above:
