Good afternoon 11(2)-Personal Data,

Hope you're doing well. I understand that 11(2)-Personal Data has spoken to 11(2)-Personal Data and there's been some discussions that would now allow a revised LOA to be submitted and a variation take place in future in the event that we can get MoD written approval to either relinquish their lease or allow the sharing of the lease area.

To that end, please see the updated New Lease Option Application Form attached on behalf of Loch Long Salmon Ltd. Also attached is the updated Plan of Area of Seabed to be Leased at a 1:10,000 scale @ A4.

Would you be able to confirm that this email submission is sufficient or is a posted paper-copy of the application also required? Also, would you please be able to provide a quote so that I can raise a Purchase Order covering the payment of this application?

Many thanks for all your help since the start of this process and looking forward to hearing from you,

*It is not my expectation that you answer my email outside of office hours; I have sent it at a time that is convenient for me.*
