Hi 11(2)-Personal Data,

I hope you are well.

[REDACTED]

Also, the MOD agreement has come out of our system at Strome ferry, so I have requested an updated plan from our GIS team for your lease option there. We're still waiting on the lease option payment for this agreement, which is why your paperwork has not been returned to you as of yet.

[REDACTED]

Many thanks

Hi [REDACTED],

Apologies for missing your calls; this week is filled with meetings, but next week is looking a lot more free if you would like to chat then?

[REDACTED] still monitoring the spatial availability at Stromeferry for the updated site plan. [REDACTED]

I hope that helps but please do let me know if you would also like me to schedule a call for early next week.

Many thanks
