Hi [REDACTED],

Please find attached the completed version of our briefing document.

Can I ask that, if you're producing any supplementary briefing document on the subject, you share it with us? We're keen to ensure we keep singing from the same hymn sheet!

Let me know if you need anything else from us.

Best wishes,

[REDACTED]

Hi [REDACTED] and other colleagues,

Just joining some dots - [REDACTED], [REDACTED] and I had a catch-up this morning and I explained that we would want to brief Ms Cunningham on this issue for her budget appearance before the ECCLR Committee next Tuesday.

[REDACTED] - I'm conscious that [REDACTED] and [REDACTED] are currently on leave. I'll send you the Ministerial sub on this from last year and we can have a quick chat about it later this afternoon if helpful.

Hi [REDACTED],

Thanks for getting in touch. I discussed this with [REDACTED] (copied in yesterday). We ran a fairly generic line past [REDACTED] yesterday which he was content with but have not been further involved in any lines for the committee on Tuesday.

Beyond the original suggest lines from [REDACTED] can I ask what you are prepping?
