Hi [REDACTED],

Was actually just talking about that. See the table attached. Let me know if there are letters here that you don't have and I'll send them through. I think they might have come from you originally though.

Suspect there is some crossover.

Hi [REDACTED]

Hope you're doing well.

I know you said you were doing a review of the various letters that have come in from developers/investors etc on ScotWind – is that something you're able to share? I've been asked to summarise so can do but was hoping you might be able to save me a bit of time!

Cheers
